OCTOBER 4-5-6, 2024  **LAKE ISEO**

Lake Iseo is a small jewel set in a precious crown of mountains and hills of a thousand colors, adorned with ancient engravings. In this enchanting location, you can lose yourself in the magic of ancient villages, scents, and flavors from the kitchens of characteristic restaurants.

The Riva brand was born on the shores of Lake Iseo, in Sarnico, thanks to the genius of Pietro, Serafino, and Carlo Riva. Under Carlo's guidance, the first Aquarama motorboat was designed in 1962, becoming a legend.
